

Apple Inc. v. Samsung Electronics Co.
No. 5:12-cv-00630-LHK (N.D. Cal., jury verdict Aug. 24, 2012)

Following is a summary of the jury verdict in this case. Note:

- A blank in any column means the question of infringement for that product as to that patent was not put before the jury.
- The jury verdict form asked about infringement for each patent for three separate corporate entities – Samsung Electronics Co., Samsung Electronics America, and Samsung Telecommunications America. Notably, in the column for STA, the jury was blocked from entering infringement information for the Galaxy Ace, Galaxy S (i9000), Galaxy S II (i9100), and Galaxy Tab 10.1 (WiFi).
- Apple asked for an injunction Aug. 27 on the *italicized models*.
