

PROJECT INFORMATION SHEET

Please fill this in for the project you will be undertaking for the course (one sheet per project) and return it to me and Lazar no later than October 17, 2014.

1. Title of the project:

2. Team members:

3. Name of the organization you're investigation (including department):

4. Overall research question for your project (i.e. what is the fundamental question you're trying to answer?):

5. What are the topics/concepts/frameworks/ideas from the course that you think you might apply?

6. How many interviews (if any) do you plan to carry out, and with what kind of interviewees (no need to list names)?

7. What other data sources do you plan on including in the project?
