

Decision-Making Exercise (for class November 4): Instructions

This is a team-based decision making exercise. You will need to meet with your team one time - for one hour - before class.

Round 1 (before class)

Step 1(on your own). Before you meet your team, read the following two pieces:

- Decision Making Exercise (A)
- Growing Pains

Step 2. Meet in your assigned team (see below). **As a team**, follow the instructions in Decision Making Exercise (A) and complete the team assignment while in the team.

Step 3(on your own). Immediately after the team meeting, complete the individual survey part in Decision Making Exercise (A), i.e., pages 4 and 5. **Once you have completed this, take the online survey** (find it on the class website) **before 2:00 PM on November 2nd at the latest.** **Write your TEAM NUMBER, but not your name.**

Round 2 (before class, and in class)

Step 4. Read the following **before class**: The Case of the Unhealthy Hospital (do not read expert opinions from page 7 onwards, not needed for this).

Step 5. In class on Nov 4: You will receive further instructions.
